Moonrise Hotel to Debut This Month in St. Louis

April 1, 2009

The Moonrise Hotel is set to make its debut this month in the trendy Loop neighborhood in St. Louis. Owner Joe Edwards has blended sophisticated and unique design details and amenities for the 135-room establishment (part of the Desires Hotels collection), including an iridescent lobby wall that changes colors, a dramatically angled staircase, and a rotating moon on top of the building. Blue fiber optics and lunar murals define the Eclipse restaurant, while the Rooftop Terrace Bar offers views of the city's skyline. The 10 guest suites are designed to showcase a different star from the St. Louis Walk of Fame. The hotel also offers 2,000 square feet of meeting space.
